▶ If you are aware of any company or organization interested in the discount program, and subsequently interested in joining the Lake County Safety Council (LCSC), please let them know the deadline is July 31.

▶ If you have not returned your LCSC data base update request form yet, please do so at your earliest convenience. This is the information that will be used to build the LCSC Membership Directory.

▶ Please check the safety council web site www.councilnews.org to determine the status of your 2007-2008 meeting attendance. Do not forget you need 10 meetings...with your CEO attending at least one meeting...this is the last meeting of the current cycle.

▶ The LCSC is initiating a membership fee beginning with the new reporting cycle. The cycle begins July 1.

The LCSC is one of just a few safety councils in the state that previously did not charge a membership fee. More specific information and details on the membership fee is forthcoming.

We appreciate your understanding and respectfully request you hold your questions until after you have received the supporting information. It will be sent by both e-mailed and regular mail.
